DURA CRIB™ BRAND PRODUCTS

WORKING LOAD GUIDE

JANUARY 15, 2025

PLEASE POST THIS MANUAL IN A CONSPICUOUS AREA WHERE PRODUCTS ARE BEING USED.

WARNING

CRUSH HAZARD.

- *Exceeding product weight limit can cause load to fall resulting in **SERIOUS INJURY, DEATH** or property damage.
- *Do not overload.
- *Do not place load unevenly onto block.

*Do not place load onto a single point on block.

*Do not exceed weight limits or temperature specifications for the product.

*Comply with all weight and temperature specifications.

CAUTION

CRUSH HAZARD.

- *Product failure can cause property damage.
- *Do not overload.
- *Do not place load unevenly onto block.
- *Do not place load onto a single point on block.

CAUTION

TIPPING HAZARD.

- *Unbalanced load can cause property damage.
- *Distribute weight evenly onto the Dura Crib block or crib block stack.
- *Do not use Dura Crib blocks or pads vertically.

NOTICE

Pad is not a substitute for safety precautions for cribbing blocks.

Avoid injury and property damage by following instructions and reading and understanding warnings for the products with which cribbing pad is used.

Thank you for your purchase of our products and for supporting products made from recycled plastic in the USA. We welcome your comments and feedback.

Please note these products may have been shipped to you with your distributor's name or distributor's part number on the product identification tag. If you do not have a genuine Turtle Plastics product tag on your product or if you have any questions regarding our products.

WARNING

CRUSH HAZARD.

- Exceeding product weight limit can cause load to fall resulting in **SERIOUS INJURY, DEATH** or property damage.
- Do not overload.
- Do not place load unevenly on step chock.
- Do not place load on single point on step chock.

TIP OVER HAZARD.

- Load movement can cause load to tip over resulting in **SERIOUS INJURY, DEATH** or property damage.
- Do not place load unevenly on step chock.
- Do not place load onto a single point on step chock. Do not leave step chock unattended.
